

Whistlewire GWP

Puppy Application

As we have a duty of care to the dogs we bring into the world, so a great deal of consideration must take place before placing any of our puppies into prospective homes. Our priority is that our dogs live full and happy lives in a home with people who love them and they are considered to be a family member not just the family dog. The same way we treat our dogs.

To this end, this form is used as a way of introducing yourself to us and helps us to best place puppies only in the most loving and responsible of homes. The hope being that our dogs and their new owners will be well matched so that both dog and owner will have a long and happy life together.

Our puppies will always come back to us if they need to be re-homed or to homes that we have approved.

All puppies are sold as pets only on the Limited Register, meaning they can participate in Obedience Trials, Agility Trials, Field Trials, Endurance Tests, Earth Dog Tests or Tracking Trials, including Sweepstakes associated with such events, **but are not eligible to enter Conformation Shows, or be used in Breeding.**

If you have done your research and accept that the German Wirehaired Pointer is without question the correct breed of dog for you and your lifestyle, then we encourage you to fill in our application form giving us as much information about yourself as you can. Once received, we will contact you, and discuss the possibility of going on our waiting list.

Thanks for your time.
